

CESA-2021

PDF HUNT

NO ENTRY FEE!!!

DATE OF EVENT: 23/09/2021

TIME: 2:00 PM

EVENT HEAD: CHETAN AGRAWAL

CONTACT NO.: 9834710110

REGISTRATION ENDS ON: 22/09/2021 (11:59PM)

PRIZE:

Winner will receive Rs.500/-

HOW TO PLAY:

Participant teams will be given 5 PDFs, but in way where, the next PDF will be unlocked by solving the questions of the pervious PDF.

- i. Each PDF will contain 3 questions, by combining the answers of these 3 questions a string of alphabets & numbers will be created and this string will be the password of the next PDF. Except the first PDF, other all PDFs will be password protected.
- ii. The first PDF will be sent via WhatsApp to participant team. The last PDF will contain a Google Form which have to be filled by the participant team.

Platform: Google Forms & WhatsApp

Duration: 45 minutes

Participation Type: 2 (Team of 2)

Winner: The participant team that fills the Google Form first, wins the event

RULES:

1. No participant is allowed to share the “string password” of any PDF to anyone except their team members.
2. Using any kind of software/ application/ website to decrypt the PDFs is completely prohibited and results in immediate disqualification.
3. To make sure all participating teams follow the 2nd rule, they will be monitored by the technical team from time-to-time, by asking any random questions on how did the team solved the questions mentioned in the PDFs.
4. This event can be played on PC as well as Mobile Phones.
5. Using any help from anyone (except team members) results in immediate disqualification from the event.
6. Registration for the event ends on 22/09/2021 11:59 PM.
7. After all teams are registered, a WhatsApp Group will be created for better correspondence.
8. In case of any query about anything please contact via WhatsApp to the Event Head, the contact is present at the top of this text.
9. As all the 5 PDFs are given via WhatsApp Group, the screenshot of the completely Filled Google Form (in the 5th PDF) should also be shared on the same Group.
10. The duration of this event as mentioned above is 45 Minutes, but the participating team that decrypts the 5th PDF and submits the google form in it, as fast as possible, wins the entire event.
11. In case if two or teams win at the same time the technical team will ask them the “string passwords”, of all the PDFs, the team with most convincing answers wins. Moreover, if there are still more than one winner, then the prize money will be split between the teams.
