Celefiesta

Rule Book:

In game Overview :

   a) ALL AGENTS ARE AVAILABLE
   b) ALL MAPS ARE AVAILABLE

GENERAL RULES :

a) Custom Lobbies

    a. Organizer will create the custom lobby and will invite the opposite team leader via Riot ID. Team Leader will invite their respective players to the lobby before making map picks and bans.

    b. Lobby Settings :

- CHEATS: OFF
- TOURNAMENT MODE: ON
- OVERTIME: WIN BY TWO: ON
- PLAY OUT ALL ROUNDS: OFF

b) Exploits

    a. VALORANT has some bugs, exploits and glitches, most of which are being fixed routinely. Most of these exploits pertain to certain agents and abilities and while all agents will be available. As a rule of thumb, any ability that is invisible, invulnerable, silent (when it should make an audio queue) or glitched out/into the map are considered exploits even if they are not currently on the list.

    b. If there is evidence of a player abusing an exploit there will be a warning and possible disqualification depending on the severity. If that same team abuses another exploit after receiving a warning, they will be immediately disqualified.

c) Timeouts and Disconnects

a. Technical Timeouts will only be used for Disconnects and/or serious technical issues with a player.

b. If a team has used their available timeouts, they will not be allowed another and may have to play out the rest of the match 4v5 depending on the ruling of the admin and the issue that is persisting
